**Affidavit to Extend Oak Village North (Unit I) Restrictions**

This affidavit is being executed this 29<sup>th</sup> day of May, 2015, by E.W. (Gene) Wankowski, President, and Kelly Knight, Secretary of Oak Village North Homeowner's Association, to provide evidence of compliance with Covenant Number 18 of the Oak Village North (Unit I) subdivision restrictions and restrictive covenants most recently extended on May 26, 2005, filed of record as Document No. 200506019187 in the real property records of Comal County, Texas.

Pursuant to Covenant Number 18, the restrictions were to continue to run with the land until June 1, 2015, provided, however, that the record owners of a majority of the tracts in Oak Village North (Unit I) have the power through a duly recorded written instrument to extend the covenants for an extension of ten (10) year periods from and after June 1, 2015.

Attached to this affidavit is a copy of the "most recently extended" covenants (Exhibit A); and a tally sheet of those who did and did not vote (Exhibit B); and copies of the executed ballots (Exhibit C).

More than a majority of the owners of the properties in Oak Village North (Unit I) subdivision voted for the current restrictions to extend for an additional (10) year period from and after June 1, 2015.

This affidavit is being recorded as a written verification that it is the intent of the majority of owners in Oak Village North (Unit I) subdivision for the restrictions of Oak Village North (Unit I) subdivision to continue until June 1, 2025, unless 67% of property owners vote to amend any and all covenants according to the legislative updates of January, 2012, or at which time the record owners of a majority of the lots will make a decision as to further extension.

EXECUTED this 29<sup>th</sup> day of May, 2015.

1. All tracts shall be used solely for residential purposes, except tracts designated for business purposes provided, however, no business shall be conducted on any of these tracts which is noxious or harmful by reason of the emission of odor, dust, smoke, gas fumes, noise or vibration, and provided further that the Grantor expressly reserves the right until January 1, 1975, to vary the use of any property notwithstanding the restrictions embodied in this contract, should Grantor in its sole judgment deem it in the best interests of the property to grant such variances. The granting of any such variance by the Grantor shall be specifically stated in the deed conveying said tract or tracts.
2. Tracts designated as business may be used either for residential or business purposes provided, however, that if used for a business the nature and purpose of the business use shall first be approved in writing by Grantor, its successors, assigns or designees. No tract may be subdivided unless written approval is given by Grantor, its assigns or designees.
3. No used material shall be stored on the property or used in any construction. In the event materials of any kind are placed on the property which are, in the opinion of the Grantor, in violation of the above stipulations and agreement, Grantor may notify Grantees by mail of such violation and if the violation is not corrected and the subject material is not removed within ten (10) days after the mailing of such notice, Grantees agree that Grantor may remove said material from the property, dispose of said materials and charge Grantees with removal costs, the exercise of which right of removal shall leave Grantor free of any liability to Grantees.

5. No building or structure shall be erected or constructed on any tract until the building plans, specifications, plot plans and external design have first been approved in writing by Grantor, or such nominee or nominees as it may designate in writing.
6. Shooting of firearms or hunting of birds or wild game of any kind on any tract is strictly prohibited.

8. The decision of the Grantor, its nominees or consignee with respect to the use and expenditure of such funds shall be conclusive and the Grantee shall have no right to dictate how such funds shall be used. Such assessment shall be and is hereby secured by a lien on each tract respectively, and shall be payable to the Grantor at San Antonio, Texas on the 1<sup>st</sup> day of June of each year, commencing June 1, 1970, or to such other persons as Grantor may designate by instrument filed of record in the Office of the County Clerk of Comal County. In cases where one owner owns more than one (1) tract there will be only one (1) assessment for such owner. Provided, however, that if such an owner should sell one or more of his tracts to a party who theretofore did not own property in Oak Village North then said tract or tracts as transferred shall thereafter be subject to the lien provided herein. 11. No hogs or goats of any kind shall be raised, bred or kept on any tract. Dogs, cats, or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose.
12. All covenants and restrictions shall be binding upon the Grantees or their successors, heirs or assigns. Said covenants and restrictions are for the benefit of the entire subdivision.
13. The Grantor reserves to itself, its successors and assigns, and easement or right-of-way over a 5 foot strip along the side, front and rear boundary lines of the tract or tracts hereby conveyed, for the purpose of installation or maintenance of public utilities, including but not limited to gas, water, electricity, telephone, drainage, and sewerage and any appurtenances to the supply lines thereof, including the right to remove and/or trim trees, shrubs or plants. This reservation is for the purpose of providing for the practical installation of such utilities as and when any public or private authority or utility company may desire to serve said tract with no obligation to Grantor to supply such services. Should a utility pipeline be installed in the rear property easement as herein reserved, Grantees agree to install a gate in any fence that shall be constructed on such easement for utility company access to such pipeline.

or assigns shall construct a water main in the street and/or easement running by said tract and water is made available to same, said assessment aforesaid shall become due and payable to Grantor, its successors or assigns, in San Antonio, Texas, at the time the water supply is made available to said property. Said assessment may be arranged on a satisfactory monthly payment basis. Should said assessment not be paid when due as specified above, the unpaid amount shall be charged interest at the rate of six per cent (6%) per annum. In the event the Grantees should desire water service and have paid their water assessment, if the existing water mains are more than 1,000 feet from Grantee's property, Grantees shall pay the water company the cost of extending the required mains to Grantee's property with water service company to reimburse Grantees for such actual costs as other services are requested along that extension. If and when a water system is installed, it is agreed by and between Grantor and Grantees that Grantees will not hold Grantor responsible for any acts of God, including such services and supply as may be installed.

17. No tract shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean sanitary condition. No junk or wrecking yards shall be located on any tract.
